# STAHLER

Embark on a cosmic dance journey with Stahler, the Berlin-based *DJ and producer* crafting spherical disco fireballs designed to transport dancers across the galaxy.

His *melodic Indie Dance* sets are an interstellar blend of danceable rhythms, wobbly grooves, and influences from the 80s, *Dark Disco*, and Italo Disco, navigating the vast electronic cosmos with finesse.

This sonic voyager's journey began in *2014* when he relocated from Singapore to Berlin, crash-landing into the city's vibrant nightlife. Discovering his passion for mixing, he quickly started at intimate gatherings, ascended to larger events, art exhibitions, clubs, and festivals.

# STAHLER

Since 2018, under the name Stahler, he's been creating tracks ranging from *House* to *Indie Dance*.

His 2023 re-edit of Dead Or Alive's "You Spin Me Round" became a Feinstoff favorite, while his latest 2024 release, "*Supersonic*", beams luscious synth hooks into space alongside stellar remixes from Biesmans and Bizarro Universe.

Join Stahler on his musical starship and prepare for a journey through the farthest reaches of indie dance sound, where every set is a sparkling adventure of *stardust and confetti*.
